October 2011

Dear Parents,

The purpose of this letter is to give you a general description of the services that are available to our AIS students. These are children who are performing below grade level.

For our lowest performing students (level 1) we offer AIS services in reading, writing and/or math during the day, a minimum of five times a week. The AIS teacher pushes into the classroom and provides small group instruction to these students.

For students that are functioning on a low level 2, the Early Morning Program is available. The days are Monday through Wednesday for 37 1/2 minutes. The group size consists of no more than ten children. During this time the teacher concentrates on reading, writing and math to help strengthen your child's skills.

Lastly, twice a week, the school offers an after-school program for students that are a high level 2. The goal is to push the children to a level 3 which would put them on grade level.

If you have any questions or would like more information, please contact your child's service provider.

Sincerely,

Anthony Pisacano
Principal
